January 10, 2005
UH IELE Monthly Report – December

The following are the activities of the partnership for the month of December.

- The partnership continued preparations for the workshop in January. An agenda is put together and presentation materials are developed. The dates of the workshop are set as January 8-12.
- Prof. Tamim and Prof. Ijaz continued communication with the stakeholders in the sector regarding participation in the workshop. Anywhere between 15 and 25 participants from the Ministry, Energy Regulatory Commission and Petrobangla are expected to attend.

Next steps
Actions expected in the next few months include:
- Four-day workshop.
- Continue to work on research papers.
