

## **Dr. Ernesto Marcos Marcos y Asociados**

Dr. Marcos is founding partner of Marcos y Asociados. He is a Mexican national and a resident of Mexico. He has devoted most of his professional career to the development of financing alternatives that better suit the differentiated needs of the Mexican industrial and infrastructure sectors. Between 1989 and 1994, Ernesto was Chief Financial Officer at Petroleos Mexicanos, one of the largest industrial conglomerates in Latin America. From 1986 to 1989, he was President of Nacional Financiera, Mexico's development bank. Between 1982 and 1983, Ernesto held the position of Undersecretary for State owned industry within the Ministry of Industry. Ernesto holds a Ph.D. in Economics from Notre Dame University, and has been professor of economic analysis, economic development and economic planning at universities in Mexico and the United States. He has served as Chairman or member at the boards of a number of Mexican companies, as Adjunct Governor of the World Bank, the International Financial Corporation, the Interamerican Development Bank and the Interamerican Investment Corporation. Ernesto is currently a member of the Board of Empresas ICA, ICA-Fluor Daniel, Fina Oil and Chemical Company and Banco Alianza, among others. Ernesto Marcos has been personally responsible for the development of innovative financial instruments, the issuance of Mexican debt instruments in the international financial markets, asset securitization, the development of project financing schemes, and the use of derivatives for hedging purposes.
