Tampa Bay AC Image, SWE Scholar Profiles, & TexNet Advisory Council (Oct. 2018)

The Tampa Bay Alumni Chapter hosted a social event on Friday, September 28, which was attended by TBP alumni chapter members, student members, and initiates. Below is a picture from the event submitted by 2018 TBP Distinguished Alumnus William Collins, *FL G '75*.

T

The Society of Women Engineers recently profiled the TE Connectivity, Ltd., scholars. Several

are Tau Bates, including: (Click here for the full bio and list.)

Marissa A. Campobasso (*IL E 2019*) – civil engineering major and TBP IL Epsilon corresponding secretary

Allison M. Laber (*KY A 2018*) – civil engineering major and 2017 TBP Scholar

Rachel R. Romano (*MD B 2019*) – mechanical engineering major

Samantha M. Schultz (*FL Z 2019*) – biomedical engineering major and past FL Zeta VP

B

The Governor of Texas, Greg Abbott, has appointed eight members to the TexNet Technical Advisory Committee for terms at the pleasure of the Governor. According to the announcement, the committee advises the Bureau of Economic Geology on the use of the funding, including the TexNet Seismic Monitoring Program and collaborative research relationships with other universities in Texas.

K.J. Nygaard, Ph.D. (*AZ A '85*), is one of the new appointees. He is senior stimulation consultant for ExxonMobil Upstream Research Company. His degrees in engineering are from the University of Arizona.
