Texas Exes: Dr. Scott Tinker Presents on Global Energy and "The Switch" Documentary

by CCTRU

2-3 minutes

Dr. Scott Tinker will address the San Angelo Texas Exes on Tuesday Feb. 11 at 11:30 a.m. at RiverView Restaurant. According to the San Angelo Texas Exes, Professor Tinker is one of the best of the best professors at UT — a superstar. They expect a large turnout.

Tinker is an "American geologist, educator, energy expert, and documentary filmmaker. Dr. Tinker has made significant contributions to higher education, in the field of energy, and in bringing governments, industries, and academe together to tackle major societal challenges involving energy, the environment, and the economy."

Professor Tinker serves as the Texas State Geologist and is the co-producer and on-screen narrator for ["Switch,"](https://en.wikipedia.org/wiki/Switch_(2012_film)) the critically acclaimed feature-length documentary on global energy. This documentary has been screened in over 50 countries to more than 15 million viewers and is used on thousands of K-through-12 and college campuses.

Dr. Tinker has made over 600 invited and keynote lectures to audiences globally. This is not a typo—he has made over 600 presentations worldwide. You may recognize his name as he is the voice of EarthDate, a two-minute weekly radio program that focuses on remarkable stories of Earth. EarthDate is produced by the Bureau of Economic Geology and is featured on nearly 400 NPR and public radio stations in all 50 United States.

Since portions of his talk will pertain to the oil and gas industry, this is a program that many in San Angelo will be interested in attending. Please get the word out by email or social media. You do not need to be a Texas Ex to attend.

Please RSVP to Sara Reyes at: sanangelotxexes@gmail.com or at: sanangelotxexes@gmail.com so we can get a rough headcount as to attendance. You do not need to RSVP to attend.

Dr. Tinker is taking time to drive to San Angelo to visit with us when he literally, could be speaking anywhere in the world. Let's make his trip worthwhile and demonstrate how San Angelo supports important programs.
