More than 50 quakes last week in far West Texas

By Stewart Doreen

Midland Reporter-Telegram 30 days ago

The seismic activity in far West Texas continued last week. The number of earthquakes around the city of Mentone (in Loving County) reached 53 in seven days, including four in a 4-hour period ending around 1 p.m., according to EarthquakeTrack.com. The Bureau of Economic Geology at the University of Texas...
