

Brigham Minerals (MNRL: \$24.38) falls 1.6% on slipping relative strength

July 11, 2022

13.2 Profiles of Top Management

Rob Roosa

CEO & Director

Robert Roosa has served as our President since our inception in November 2012, as our Chief Executive Officer since July 2017 and as a director of the Company since May 2018.

Rob served as the President of Anthem Ventures, LLC, a family office, and assisted Bud Brigham with a number of family ventures between January 2012 and January 2017. Rob served various roles, including Director of Finance and Investor Relations, while at Brigham Exploration from 2006 until its sale to Statoil in December of 2011. From 2000 to 2006, Rob held a series of positions at Exxon Mobil Corporation, an oil and gas company, in the Corporate Treasurer's Department. Prior to 2000, Rob worked for Cooper Industries, an electrical products manufacturing company, in its Corporate Controllers and Audit Groups and with the accounting firm Deloitte & Touche LLP in its audit function.

Rob graduated from Southern Methodist University with a Master of Business Administration in 2000 and from the University of Texas at Austin with a Bachelor of Business Administration in 1992.

Bud Brigham

Chairman & Director

Bud Brigham is our founder and has served as our Executive Chairman since our inception in November 2012. Bud is currently involved in various business ventures including Anthem Ventures, LLC, a family office, Brigham Exploration Company (the second entity founded by him with such name), a non-operated oil and gas company focused on the Permian Basin, and Atlas Sand Company, LLC, a sand reserve holding company. Bud also currently serves as the Executive Chairman of both Langford Energy Partners I, LLC and Brigham Oil & Gas, L.P. In addition to founding the Company in 2012, Bud also founded Brigham Resources Operating, LLC and Brigham Resources Midstream, LLC in 2012 and served as Chairman until the sale of substantially all of their assets to Diamondback Energy, Inc., a hydrocarbon exploration company, in February 2017. Bud formed the initial Brigham Exploration in 1990 and served as its President and Chief Executive Officer and Chairman of its board until its sale to Statoil in December 2011. Prior to founding Brigham Exploration in 1990, Bud served for six years as an exploration geophysicist with Rosewood Resources, an oil and gas company, and as a seismic data processing geophysicist for Western Geophysical, a petroleum exploration company. Bud earned a Bachelor of Science in Geophysics from the University of Texas. Bud has served on the National Petroleum Council, the American Association of Petroleum Geologists, the Society of Exploration Geophysicists, the Independent Producers Association of America, the

Society of Independent Professional Earth Scientists and **The Bureau of Economic Geology Visiting Committee**. Bud was inducted into the All American Wildcatters in April 2012 and the University of Texas Chancellor's Council Executive Committee in April 2015.
