## Is Harlow a real town? Texas Chainsaw Massacre Town is Real, How to Visit?

By **Jack Lewis** August 13, 2022 0

The new 'Texas Chainsaw Massacre' is said to be full of twists and turns that will leave audiences on the edge of their seats. The story follows a group of city experts who travel to a deserted Texas town with the intent of turning it into a brand-new, fashionable community.

Unfortunately for them, the passionate youngsters stir up the revenge of a homicidal force that resides in the actual town. With his reliable power saw, Leatherface makes quick work of many of the visitors.

The town of Harlow is mentioned several times in the story and appears to be the setting for all the violence. Are you wondering if the town is potentially based upon a real-world location?

According to data from the Texas Bureau of Economic Geology, there are more than 6,000 ghost towns in Texas. With such a large number of abandoned towns in the state, it's hard to say for sure which one served as inspiration for the movie.

However, given the film's focus on violence and bloodshed, it's safe to say that Harlow is not based on any real town in Texas.

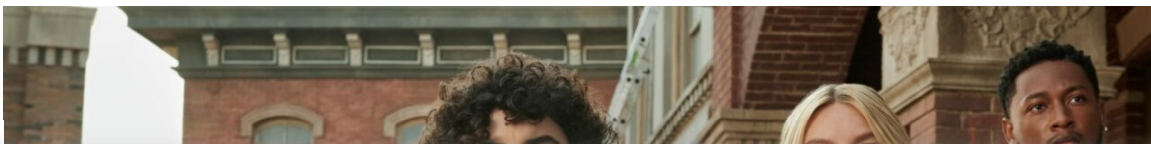

The Texas Chainsaw Massacre, a 1974 film, is followed by Texas Chainsaw Massacre, which picks up 50 [years later](#). It follows a young group of businesspeople as they make their way to the Texas town of Harlow in the hopes of launching a new venture.

horror enthusiasts, You won't be able to explore this town to experience a high-intensity adrenaline rush, I'm sorry to break it to you. The town of Harlow is fictional in the film. But it makes sense that people would believe Harlow to be a real town. Everything seemed really authentic. Even the population sign for Harlow has a smeared population number. In all actuality, it resembled an old, deserted town. You may readily compare Harlow to a town in the [American](#) West.

While the original 1974 movie The Texas Chainsaw Massacre was filmed in Texas, the majority of the film was shot in Kingsland, which is located in Cameron County. In 2012, a remake of the movie was released and it was set in the fictional town of Harlow, Texas.

However, contrary to what some viewers may believe, the town of Harlow does not actually exist. Instead, the town was created solely for the purpose of the film. The buildings and other structures that are seen in the movie were all built on sets, and once filming was completed, they were dismantled.

While it may be disappointing to learn that Harlow is not a real place, visitors to Kingsland can still get a taste of movie history by visiting some of the locations where The Texas Chainsaw Massacre was filmed.

Bulgaria was the location for the initial [filming](#), but [Ryan and Andy Tohill were hired as the directors after that](#). The studio disapproved of the footage once the production was finished. As a result, the footage was abandoned and a new director was hired. Director David Blue Garcia took over. If the retake was shot in Bulgaria is uncertain. However,
