deepC Store Presents at IEAGHG & BEG's 6th International Workshop on Offshore Geologic CO2 Storage

Source: www.gulfoilandgas.com 9/14/2023, Location: Europe

deepC Store's Managing Director Daein Cha presented on Wednesday 13 September 2023 at the 6th International Workshop on Offshore Geologic CO2 Storage led by Bureau of Economic Geology's Gulf Coast Carbon Center (BEG) and IEA Greenhouse Gas R&D Programme (IEAGHG) (sponsored by Storegga and hosted by University of Aberdeen). Daein's presentation covered the overview of deepC Store (dCS), development status update of dCS's commercial scale floating CCS hub project "CStore1," and update on the policy development and business environment of Australia.
