Forward-Looking Statements

The information included herein and in any oral statements made in connection herewith include "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements, other than statements of present or historical fact included herein, are forward-looking statements. When used herein, including any oral statements made in connection herewith, the words "could," "should," "will," "may," "believe," "anticipate," "intend," "estimate," "expect," "project," the negative of such terms and other similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain such identifying words. These

forward-looking statements are based on the Company's current expectations and assumptions about future events and are based on currently available information as to the outcome and timing of future events. Except as otherwise required by applicable law, the Company disclaims any duty to update any forward-looking statements, all of which are expressly qualified by the statements in this section, to reflect events or circumstances after the date hereof. The Company cautions you that these forward-looking statements are subject to risks and uncertainties, most of which are difficult to predict and many of which are beyond the control of the Company. These risks include, but are not limited to, general economic, financial, legal, political, and business conditions and changes in domestic and foreign markets; the ability of the Company to successfully develop its assets in Weld County, Colorado; the failure to realize the anticipated benefits of the merger with Prairie Operating Co., LLC; the risks related to the growth of the Company's business and the timing of expected business milestones; and the effects of competition on the Company's future business. Should one or more of the risks or uncertainties described herein and in any oral statements made in connection therewith occur, or should underlying assumptions prove incorrect, actual results and plans could differ materially from those expressed in any forward-looking statements. There may be additional risks not currently known by the Company or that the Company currently believes are immaterial that could cause actual results to differ from those contained in the forward-looking statements. Additional information concerning these and other factors that may impact the Company's expectations can be found in the registration statement on Form S-1/A filed by the Company on September 5, 2023, and in the Company's periodic filings with the Securities and Exchange Commission (the "SEC"), including the Company's Annual Report on Form 10-K filed with the SEC on March 31, 2023, and any subsequently filed Quarterly Report on Form 10-Q, including the Company's most recent Form 10-Q filed on August 14, 2023.
