

CEEA Mid-Year Update Featuring Dr Scott Tinker – R

March 20, 2024

The poster features a red background with a white flame logo on the left. The text 'CANADIAN ENERGY EXECUTIVE ASSOCIATION' is in white. The main title 'MID-YEAR UPDATE' is in large white letters. A circular portrait of Dr. Scott Tinker is on the right. Below the title, it says 'With Keynote Speaker'. At the bottom, there are two white boxes: one with 'APR.03.24' and another with 'WEDNESDAY APRIL 3, 2024'. To the right of that is 'LOCATION The Petroleum'.

**CANADIAN ENERGY
EXECUTIVE ASSOCIATION**

MID-YEAR UPDATE

With Keynote Speaker

APR.03.24

WEDNESDAY
APRIL 3, 2024

LOCATION
The Petroleum

This year our theme is “Energize the World” as we look to help promote Canada’s impact as a socially responsible, environmentally responsible, reliable, affordable and most importantly a world that needs it more than ever.

CEEA is excited to welcome the Internationally renowned energy expert and public speaker as our keynote speaker for this event. Dr. Tinker is Director of the Bureau of Economic Research at the University of Texas, and a professor holding the Allday Endowed Chair in the Jackson School of Management at the University of Texas. [Learn more about Dr. Tinker](#)

of Texas at Austin. Dr. Tinker has made significant contributions to the understanding of energy systems. He co-produced award-winning documentaries such as *Switch* and *Switch On* and founded the Energy Education Alliance, dedicated to educating diverse audiences about energy issues. With over 1,000 lectures in 60 countries, Dr. Tinker's expertise in carbonate stratigraphy, reservoir characterization, and energy transition frameworks makes him a highly sought-after speaker and thought leader in the industry.
