Air Quality Professionals Forum Summer Meeting, July 25, 2024

About this Event

Join us for the Air Quality Professionals Forum summer meeting on Thursday July 25, 2024. The meeting is from 11:30 to 1:30 at the ALEN Corporation, located at 9200 Waterford Centre Boulevard, Suite 600, Austin 78758

ALEN Corp. is a Clean Air Force Sustaining Partner and a leader in air purification systems.

We are excited to have Ramon Trevino, Bureau of Economic Geology at University of Texas join us as our featured speaker. He will be giving us a presentation on Geologic Carbon Storage.

Ramon Zarate with CAPCOG will also join us and give a brief explanation on the recently updated NAAQS PM standards.

The presentations will be followed by a Q&A session. Certificates of Professional Education (1.0 hours) will be available on request for those that attend the meeting.

Parking is free.

We will provide a box lunch for all attendees. Non-vegetarian and vegetarian options are available. The meeting is an in-person event.

The Forum is open to our Clean Air Partners and their guests. If possible, please help us offset the cost of the lunch with a donation of at least \$12.00. You can pay through Eventbrite when you register or pay at the door. We hope you can join us!

For more information, please email Brett Davis at bdavis@cleanairforce.org.
