Data entry: _____ Date delivered: _____ in contract: _____
Charges: _____

Patrons who sample cores and/or cuttings are required to provide ALL analyses, reports and/or publications that contain results of the analyses of the samples to BEG within nine (9) months of above sampling date. Thin sections must also be provided to BEG. Any publications containing results of analyses must reference UT BEG CRC's as the source of the samples. Students who sample cores and/or cuttings are required to submit a copy of their thesis or dissertation to the BEG CRC. BEG reserves the right to revoke the right of clients to sample in the future if clients do not adhere to the BEG Sampling Policy posted on BEG web site.
