

The map shows the Eagle Flat study area, a rectangular region. A north arrow is located to the left of the rectangle. A line representing the Rio Grande flows from the bottom left towards the top right, passing through the study area. A point labeled 'Proposed site' is marked with a black dot within the rectangle. A small square labeled 'Sierra Blanca' is located near the top left corner of the rectangle. A compass rose indicates North (N), Northeast (NE), and Southwest (SW). A scale bar at the bottom right shows distances of 0, 10, and 15 km.
